Re: Contributions for Cemetery and Memorial in Rozyszcze

Shalom Aharon:

On behalf of the family of the late Charles (Chaskel) Werb (Werba) (son of Zalman Werba and Esther Beizer) I am taking this opportunity to forward a contribution for the restoration of the Cemetery and Memorial in Rozyszcze with Pearl and Larry Bell.

Thank you for your work at preserving the cemetery and memorial. It is a very difficult task when one is a long distance away and there is no one locally to monitor the problems and the work that needs to take place. We hope that this contribution will help in the preservation of the Rozyszczer family heritage.

Best regards
